150K sqft Total Exhibition Area

## SAFECON INCORPORATING - BUILDDEX, BPLX, RENEX, WATEREX & TIMBERTECH BANGLADESH-2026 AN EXCLUSIVE B2B & B2C PLATFORM FOR THE EXHIBITORS:

SAFECON 2026 provides a strong opportunity for organizations to connect with key decision-makers involved in large-scale construction and infrastructure projects. The exhibition offers excellent opportunities for exhibitors to showcase their products, engage in direct business discussions, and explore new markets. With strong international participation and 360° marketing campaigns, the event ensures wide industry reach and high business impact.

### OBJECTIVES OF SAFECON - BUILDDEX, BPLX, RENEX, WATEREX & TIMBERTECH BANGLADESH

- Promote safe, sustainable construction materials, timber & engineered wood solutions, and value-added services for Bangladesh's infrastructure development.
- Encourage the adoption of safe, efficient, and smart power & lighting solutions.
- Showcase advancements in renewable energy technologies and support the transition towards green energy.
- Highlight innovative water management solutions, including safe water, recycling, and wastewater treatment.
- Introduce new technologies and innovations across construction, power, water, and timber sectors in the domestic market.
- Create opportunities for international exhibitors to explore and expand into the Bangladesh market, contributing to foreign currency earnings.
- Raise awareness among engineers, policymakers, and stakeholders on sustainable development and technological advancement.
- Provide a platform for technology exchange, networking, and business opportunities among industry.

# STRONG INDUSTRY PARTICIPATION

**SAFECON 2026, INCORPORATING BUILDDEX, BPLX, RENEX, WATEREX & TIMBERTECH BANGLADESH**, has opened its doors to Bangladesh and is recognized as the country's most prominent exhibition on construction & infrastructure equipment, power generation & lighting, renewable energy, water management, timber and engineered wood solutions. The exhibition has once again provided an ideal platform for business transactions, networking, and the introduction of cutting-edge innovations across these sectors. It has brought together leading local and international companies, creating strong opportunities for collaboration, knowledge exchange, and market expansion. Some of the most reputed global and regional brands showcased their latest technologies and solutions, making this year's edition a remarkable success for the entire infrastructure industry.

### Few Top Exhibitors' & Visitors Feedback:

I am pleased to know that Savor International Limited is going to organize three-day long international exhibition entitled the '11th SAFECON 2026'. I extend my sincere greetings and thanks to the organizer of the event.

Mr. Wang Hongbo  
Vice President,  
Chinese Enterprise Association in Bangladesh (CEAB)

I strongly believe that the exhibition will create the B2B interaction, both for local and international renowned counterpart that will help our SAFECON industry to grow more and to compete globally. The exhibition will provide a platform for exchanging scientific ideas on latest developments and technologies.

Taufiq Omar Hasan  
Managing Director  
GroupNautika

I believe this sort of exhibition will create enormous opportunities for Bangladeshi engineers, architects, planners and simultaneously for the entrepreneurs.

Prof. Dr.M. Shamim Z. Bosunia  
President, Bangladesh Association of  
Consulting Engineers

I am writing to express my sincere appreciation for the diligent efforts of Savor International Ltd. in organizing the 'SAFECON 2026' exhibition, this is my second time to come here to attend in the exhibition.

Jerry Lai  
SEA -Regional Sales Manager  
Antai Technology Co., Ltd.

I am very happy to be here and all our congratulations to the organizer for this summit because it is very good opportunity for us to meet client and people who want to do business and invest in Bangladesh Market.

Mr. Bilal Belyurt  
Commercial Counsellor,  
The Embassy of Türkiye in Dhaka

This is the best expo in Bangladesh. I am attending this exhibition for the third time.

William Zhang  
Sales Director  
Shandong Weida Construction Machinery Co., Ltd

Bangladesh is a densely populated country undergoing rapid industrialization, which requires effective and controlled management of waste materials. Developing national policies focused on Zero Energy Demand, Zero Discharge, and Zero Pollution is essential to ensure a safe and sustainable future for the next generation. I believe this exhibition will play an important role in strengthening B2B interactions, supporting industry growth, and providing a valuable platform for exchanging ideas on the latest technological developments.

Engr. Md. Hasmotuzzaman  
MEP Consultant & CEO, Utility Professionals  
Ex-President, ASHRAE Bangladesh Chapter  
Life Committee Member (9), ASHRAE Global

The exhibition is very well organized, and we are happy with the level of service provided by Savor. We believe it is an excellent opportunity to showcase ourselves in the Bangladeshi market. We are here for the fourth time.

Andy Guo  
Sales Manager  
Solis

I believe this exhibition will foster meaningful business connections and future development. We are truly grateful to be a part of it.

Sheldon Pan  
Sales Manager  
Weiliram Co., Ltd.
